

Radisson Residences Avrupa Tem İstanbul to open in Turkey

August 27, 2019

Radisson Hospitality AB, part of Radisson Hotel Group, is proud to announce the signing of the Radisson Residences Avrupa Tem İstanbul in Turkey. The 140-apartment residence will be located within the Avrupa Tem Residential Complex and will open before the end of this year, following a partial renovation.

Elie Younes, Executive Vice President & Chief Development Officer, Radisson Hotel Group, commented: "We see a positive growth trend in the hospitality industry in Turkey. Following the first residence project under the Radisson brand, we are delighted to bring another excellent property to Istanbul. We thank our partners once again for their continued trust for a third project with us, bringing our presence to 16 properties in Istanbul."

The newly built property will consist of 140 modern apartments, combining a mix of one-bedroom, two-bedroom and three-bedroom units. The residence will also feature a well-equipped gym and a spa, including an indoor swimming pool to accommodate both short- and long-term stays.

The Radisson Residences Avrupa Tem İstanbul is located within the Avrupa Tem Residential Complex, close to Istanbul Airport. With its proximity to some of Istanbul's main business districts and the airport, the residence is expected to attract both business travelers and leisure guests seeking stylish accommodation in a central location.

Radisson Residences Avrupa Tem İstanbul investor Süleyman Çetinsaya, said: "We are glad to further extend our relationship with Radisson Hotel Group. After the successful launches in Kayseri and Vadistanbul together, we are confident that this new project will be another success and will further demonstrate the quality of service and brand recognition that Radisson brings in Turkey and globally."

The Radisson Residences Avrupa Tem İstanbul will be approximately 30 minutes' drive from the new Istanbul Airport, and only 400m from the nearest exit of the Trans-European Motorway (E80), linking the residence to the city.
