

## The Grand Hotel Savoia, A Radisson Collection Hotel and Radisson Residences Savoia Palace open their doors in the heart of the Dolomites

February 18, 2021

The historic Grand Hotel Savoia Cortina d'Ampezzo, A Radisson Collection Hotel, and the Radisson Residences Savoia Palace are proud to open their doors following an extensive renovation, while still maintaining both properties' unique alpine identities. Cortina d'Ampezzo is one of the world's leading year-round resort destinations offering; world-class skiing and snowboarding in the winter and hiking, biking, and rock climbing in the summer.

Built in 1912, the Grand Hotel Savoia Cortina d'Ampezzo remains true to its original Art Nouveau style as a symbol of Italian elegance and contemporary style. The 5-star hotel recently joined Radisson Hotel Group and is operated by Zeus International. Strategically located in the centre of Cortina, the hotel features 126 guest rooms, including 19 junior suites and 8 suites, a lobby and cigar bar, as well as a relaxing wellness and spa area. The hotel's three unique dining concepts Ristorante Savoy, 1224 Bar Lounge, and 1224 Terrazza, will offer truly extraordinary gastronomic experiences. Designed with a timeless elegance, the hotel merges the sophisticated and modern with a décor that is inspired by the essential lines of the Radisson Collection brand, as well as the seductive style of Italian design. With 600sqm of hi-tech meeting and events space, the hotel has the largest conference area in Cortina.

The Radisson Residences Savoia Palace Cortina d'Ampezzo offer 44 well-appointed, open plan apartments with spacious interiors inspired by traditional mountain chalets. The large suites and apartments feature a cozy ambience where guests can relax in the comfortable living space filled with natural light, and are the ideal choice for families and groups of friends. The Radisson brand is an upscale hotel brand, which Radisson Hotel Group recently introduced to new markets across Europe including Amsterdam and London Heathrow Airport.

**Yilmaz Yildirimlar, Area Senior Vice President Central & Eastern Europe, Russia and Turkey at Radisson Hotel Group,** said: "After an extensive rebranding phase, we are delighted to open our next iconic landmark properties in the heart of the Dolomites, and look forward to welcoming and creating memorable moments in a safe environment for all our guests. This marks our fifth Radisson Collection in the region and the very first Radisson branded property in Italy as we continue to strengthen further our awareness and our reputation locally as a strong international hotel player."

Both properties have opened in time for the Alpine World Ski Championships Cortina 2021, which will be held until 21 February. "The World Ski Championships are a key event for Cortina and the local community. Our resort is ready to welcome guests in line with local government health and

safety guidelines, and the Radisson Hotels Safety Protocol. This year, the Grand Hotel Savoia Cortina d'Ampezzo, A Radisson Collection Hotel is proud to be hosting the sponsoring teams travelling to Cortina for the championship and we look forward to a long ski season ahead," confirms **Rosanna Conti, General Manager** of the hotels.

More than ever, Radisson Hotel Group's highest priority remains the health and safety of its guests and employees. The Grand Hotel Savoia Cortina d'Ampezzo, A Radisson Collection Hotel, and the Radisson Residences Savoia Palace Cortina d'Ampezzo are implementing the [Radisson Hotels Safety Protocol](#) program of in-depth cleanliness and disinfection protocols developed in partnership with SGS, the world's leading inspection, verification, testing and certification company, which are designed to ensure guest safety and peace of mind from check-in to check-out.
