

Radisson Blu Stansted is the most Environmentally Friendly Company in Essex

July 25, 2013

There was a double celebration for the team at the Radisson Blu Hotel, London Stansted Airport when the hotel won two prestigious awards in quick succession. The stylish and contemporary property was awarded gold for Access Excellence at the leading meetings and incentive travel awards, celebrating the very best in meetings and events in the country. Then came the award for the Most Environmentally Friendly Company in Essex, after Stansted fought off stiff competition at the Essex Business Awards to take the top prize in the Environmental Awareness category.
