

60+ awards in TripAdvisor's 2013 Travellers' Choice® awards for the world's best hotels!

March 8, 2013

There's no better accolade than to be voted the best by the people who know our hotels first-hand: our guests. So we can take great pride in the fact that Radisson Blu and Park Inn by Radisson hotels around the world have garnered 60+ awards in TripAdvisor's 2013 Travellers' Choice® awards for the world's best hotels! Based on millions of reviews and opinions from travellers around the world, this overwhelming vote of confidence undoubtedly says "100% Guest Satisfaction".

Special mention goes to the Radisson Blu Waterfront Hotel, Stockholm, voted the No. 1 hotel in Sweden ("This is a great place to stay - excellent rooms and service, easy access to transportation and a short walk to the central pedestrian shopping area and Stockholm's Old Town"). Our two hotels in Djerba picked up five awards between them, Lithuania headed the country league table with a fantastic tally of eight, while Scandinavia and the Baltic States together accounted for nearly half of the total number of awards.
