

Radisson Blu Hotel, Chelyabinsk: Certified with their first Green Key

November 1, 2015

The Radisson Blu Hotel, Chelyabinsk has passed the certification procedure and got The Green Key eco-label. The certificate demonstrates a high social and environmental responsibility of the hotel. Experts of "Green key" pay attention to such aspects like using environmentally friendly cleaning products, energy-saving technologies, rational use of water, and eco-trainings for staff.
